The Shocking Truth!

CHATGPT IS SECRETLY
BLEEDING BILLIONS

The \$20 Subscription Scam That's Actually Costing Them \$40+ Per User

THE BRUTAL MATH:

- Free tier = "Generous company giving away AI"
- \$20/month = "Affordable subscription"
- ChatGPT Plus = "Great deal"

What's ACTUALLY
Happening??

FREE USERS (95% of everyone):

•  You Pay: \$0

 Their Cost:
\$5-\$10/month

 Result: 100% PURE LOSS

PAID LIGHT USERS (20% usage):

You Pay: \$20/month

Their Cost: ~\$10/month

Result: \$10 profit (barely covers free users)

SWIPE

PAID HEAVY USERS (70+ queries/day):

You Pay: \$20/month

Their Cost: \$40–
60/month

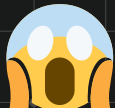

Result: LOSING \$20–40
PER USER! ●

Even \$200/month PRO subscribers?

 You Pay: \$200/month

 Their Cost: \$250–
300+/month

 Result: STILL LOSING
MONEY! 

THE DEATH SPIRAL NUMBERS:

According to LEAKED
financial documents:

Annual Bloodbath:

- 💵 \$475 MILLION/year operational costs (2023)
- 💵 \$8.65 BILLION spent on inference in JUST 9 months of 2025
- 💵 \$5 BILLION total losses expected in 2025
- 💵 Their newest o3 model? \$1,000+ PER QUERY 🤯

Daily Operations:

- 💵 \$1.3 MILLION/day just to keep ChatGPT running
- 💵 \$700,000/day in compute costs alone (2023 estimates)
- 💵 Each query costs them \$0.01 – \$0.36 on average

WHO'S KEEPING THIS SINKING SHIP AFLOAT?

The Billionaire Bailout
Squad:

MICROSOFT – The Sugar Daddy 💰

- Total invested: \$13–14 BILLION (so far)
- Owns: ~27% of OpenAI (worth \$135B on paper)
- Q1 2025 loss from OpenAI: \$1.5 BILLION
- Status: Doubling down on the bet 🎲🎲🎲

NVIDIA – The Enabler

- Supplying the expensive GPUs
- Also investing billions
- Profits from the AI gold rush

SOFTBANK – The Eternal Optimist

- Billions poured in
- Remember WeWork? They're back! 

The VC Dream Team:

- Thrive Capital (led \$1B round)
- Khosla Ventures
- Fidelity
- Tiger Global
- And many more...

THE BOTTOM LINE:

OpenAI is running the most
expensive charity in tech
history

- They're literally paying YOU to use their product
- Investors are subsidizing your AI conversations
- This cannot last forever
- Something's gotta give...
SOON

YOUR TURN:

Are you:

- ● Still using ChatGPT (living on borrowed time)
- ● Canceling your subscription (before price hikes)
- ● Switching to competitors (Claude, Gemini, etc.)
- ● Waiting for the inevitable collapse

SHARE THIS:

- If this shocked you, it'll shock your friends too.
- The AI bubble is REAL, and ChatGPT is bleeding billions while we all chat away for "free."
